## Maroon 5 Charges To No. 1 With 'Payphone'

Maroon 5 rings up its fourth No. 1 on Billboard's Nielsen BDS-based Mainstream Top 40 chart and its fifth leader on Adult Top 40 with "Payphone."

Maroon 5 makes it back-to-back toppers on Mainstream Top 40, as its last entry, "Moves Like Jagger," featuring Christina Aguilera, reigned for six weeks beginning in October. The group had likewise led consecutively with its first two No. 1s, "This Love" (three weeks) and "She Will Be Loved" (four) in 2004.

Wiz Khalifa, featured on the pop edit of "Payphone," scores his first Mainstream Top 40 No. 1.

On Adult Top 40, Maroon 5—whose No. 1 ledger on the list includes its four Mainstream Top 40 leaders plus 2010's "Misery"—ties Nickelback for the most commanding titles among groups in the chart's 16-year history. Katy Perry leads all acts with six Adult Top 40 No. 1s. (P!nk also has five.)

Maroon 5's fourth studio album, *Overexposed*, looks likely to debut at No. 2 on the Billboard 200 this week, trailing only Linkin Park's *Living Things*, the chart's expected new leader. Check [Billboard.com](http://Billboard.com) and [Billboard.biz](http://Billboard.biz) for details on Wednesday morning (July 4), when high-

lights of the tally, and the Billboard Hot 100, will post.

**'TIME' FLIES:** As her introductory U.S. single, "Call Me Maybe," slips to No. 2 on Mainstream Top 40, Carly Rae Jepsen debuts her second chart entry, "Good Time," with Owl City, at No. 32 with Greatest Gainer honors. The track, released to digital retailers on June 26, could bow in the Hot 100's top 40 this week, fueled heavily by an expected top 10 entrance on the Hot Digital Songs chart. KKHH (Hot 95.7) Houston has played the song the most (64 plays) through July 1, according to BDS.

Billboard's Mainstream Top 40, Rhythmic and Adult Top 40 charts rank total weekly plays (for the week ending Sunday) on 138, 69 and 83 stations, respectively, as monitored 24 hours a day, seven days a week by Nielsen BDS. Titles receive bullets if even or gaining in weekly plays. Average Plays per Station reflects Mainstream Top 40 titles' weekly plays totals divided by the number of stations on which they received airplay in the chart's tracking week. Greatest Gainers reflect titles with the top weekly increases in plays. New and Active lists the top titles gaining in plays below the Mainstream Top 40 chart. Chart data presented in this update is preliminary and subject to change, pending final review by Billboard and BDS. Finalized charts can be viewed on Monday afternoon via Nielsen BDS' subscription platforms or via subscription to www.billboardplus.com. © 2012, Prometheus Global Media, LLC and Nielsen BDS, Inc.
